

# Extended prep instructions

## Dr. Toby Katz

Your doctor has instructed an extended preparation for your procedure. Please complete the following instructions in addition to your prescribed preparation instructions.

### **Extended Prep: Attempt #1**

Purchase one box of Dulcolax. Green box, tablets.

1. The day before your procedure, take \_\_\_\_\_ Dulcolax tablets in the morning and then continue with the regular prep instructions.

### **Attempt #1**

*If you have attempted this Extended Prep in the past and have been directed by Dr. Katz to follow an alternative, please contact our office.*
